## Spring Dinner May 11, 2004

The Yale Alumni Corporation of Rochester invites you to our Spring Dinner at The Lodge at Woodcliff, 199 Woodcliff Drive, Fairport, on Tuesday, May 11th. We are very pleased and excited to have as our guest speaker **Thomas F. Judson, Jr. '67**, a fellow Yale alumnus and Chairman and CEO of The Pike Company, Inc. Tom will be speaking about some of his activities as a member of the Rump Group, a group of local business leaders addressing economic development issues in our area.

Cocktails and hors d'oeuvres begin at 6:00PM, speech at 6:30PM followed by dinner. Please contact Johanna Bartlett for tickets (\$35pp) at 423-6428 or by email at [Johanna.Bartlett@usa.xerox.com](mailto:Johanna.Bartlett@usa.xerox.com) by 5/6/04. You may also send a check to her at: 7 Helmsford Way, Penfield, NY 14526. Please indicate your choice of entrée: Pan Seared Chicken (with artichoke hearts and sun-dried tomatoes); Slow-Roasted Loin of Pork (with peppercorns and a port wine demi-glace); or Portobello Ravioli.

The Pike Company continues in the tradition of John B. Pike & Son, founded by Tom's great grandfather in 1873. Under Tom's leadership, Pike has become a leader in construction management throughout the country. Some of these major projects include the General Motors and Exxon Pavilions at Epcot for Disney in Orlando, the Charlotte, NC Airport, and the longest cable-stayed bridge in the world in Vancouver, British Columbia.

## Yale Class of 2008

Robert Turner '83, Alumni Schools Committee Director, reports that 69 students applied to Yale this year from the Rochester area, the highest ever in one school year! Of these 6 have been admitted. Blues News will provide a list of those who matriculate in its next edition.

Yale College received more than 19,674 applications this year! This is a new record, surpassing the 17,731 applications last year. Of these, 1,949 students are admitted.

## Alumni Interviewers

## News from Yale

Students who take to the Old Campus this year will now be able to take the Internet with them. The university, which has already made wireless network access available on Cross Campus and in all the residential college dining halls and courtyards, will add its most ancient ground to the network this spring.
